

Camp Testimonials

"My son told me he was ready to quit baseball after other coaches had taken the fun out of the game. I had already signed him up for Nathan's camp, so I told him he had to go... but if he still was ready to leave the game after camp, he could, and we would look for another sport. All week long all I heard was Coach Nathan this and Coach Nathan that. It was a great pleasure to see my son come home every day enjoying and loving baseball again. I thank Nathan from the bottom of my heart for that. My son loves baseball again and it's all thanks to Nathan for his strong, caring, thoughtful and fun-loving leadership style and his genuine commitment to helping others."

"My son learned a ton at Nathan's baseball camp and was excited to come back day after day. It was truly a blessing to have a camp where these young boys and girls can learn about a sport they love, but more importantly be surrounded by a coach like Nathan who cares so much about building character in young people...and keeping Jesus at the center of it all! Nathan's ability to teach, care for and somehow organize all those kids onto one field was amazing to watch! The daily devotions, the drills, the competitions, the progress reports, the personalized award certificates and most of all, Coach Nathan's ability to lead and inspire these kids made his camp a one-of-kind, life-changing experience."

"Coach Nathan's camp is by far the best camp Karsen has ever attended! Each day is challenging and fun all at the same time. I love knowing that when I drop my son off at camp, he is working to improve his skills of a game he loves so much, but he is also learning life lessons and how to be a true steward of the game from a very special group of coaches. Each one of them are great role models for these kids and Karsen will always be a repeat attendee of this camp! Coach Nathan's camp has been a true blessing for our son and so many others!"

"Nathan renewed my son's love for the game during baseball camp. He is a natural teacher and a terrific role model for young people. His giftedness in motivating kids and his ability and maturity in relating to a wide variety of players, parents, grandparents and his fellow instructors was truly impressive."

Coach Nate,

Thank you all for creating such a great experience for Grady and the other kiddos this week. He really enjoyed it. I know for sure because he never said anything like "it's too hot...how many more days do I have to go...I kinda miss you when I'm there." Things I've heard with other camps he's done.

From the skills to the devotions and yoga – I know he absorbed a lot. And it was clear today that you all have really paid attention to each child. We'll certainly look forward to coming back next summer!

Thank you again
